Case No. 3:22-mj-88

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the use of the United States Mail in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false

or non-existent, the addressee is not known to receive mail at the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On March 14, 2022, Postal Inspectors intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail Ready Post brown box, bearing tracking number 9505513821672069207398, postmarked March 10, 2022, with the following address information:

Sender: Andrew Beasley
2970 Courtside Dr.
Roseville, CA 95661

Addressee: Cindy Beasley
541 Groveland Ave
Dayton, OH 45417

Through my training and experience as a Postal Inspector, I know that Northern California is known drug source location.

4. I performed a check in CLEAR database for the addressee’s information on the Package of “Cindy Beasley 541 Groveland Ave Dayton, OH 45417.” CLEAR is a law enforcement database that is used as a tool for investigators to identify person/business and address information. According to CLEAR, there is no “Cindy Beasley” associated with 541 Groveland Ave Dayton, OH 45417.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “Andrew Beasley 2970 Courtside Dr. Roseville, CA 95661.” According to CLEAR, “Andrew Beasley” was associated with 2970 Courtside Dr. Roseville, CA 95661 in 2016, but that individual’s name is currently associated with a different address.

6. On March 14, 2022, at my request, Dayton Police Department Officer Jeremy Stewart conducted a narcotics-detection canine “free air” check of the outside of the Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, “Weston.” As set forth in the attached affidavit of Officer Stewart, “Weston” alerted positively for the presence or odor of a narcotic or other controlled substance on the Package. “Weston” is a trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the following are all indicative of and consistent with Drugs and/or Proceeds in the Package: (i) the Package being sent from a known drug source location, (ii) the lack of a known association between the addressee and the recipient address, (iii) the lack of a known current association between the sender and return address, and (iv) the positive alert of the narcotics-detection.

Therefore, a search warrant to open the Package is requested.

Respectfully submitted,

Joseph L. Rossiter
Postal Inspector
United States Postal Inspection Service

OFFICER AFFIDAVIT

I, Officer Jeremy Stewart, am and have been employed by the Dayton Police Department since 2014. Among other duties, I am currently the assigned handler of narcotics detection canine "Weston" which is trained and certified in the detection of the presence or odor of narcotics described as follows:

Marijuana, Cocaine, Methamphetamine, and Heroin

On 3/14/22, at the request of Postal Inspector ROSSITER, I responded to the DAYTON P&DC, where "Weston" did alert to and indicate upon: [describe item]

9505513821672069207398
Andrew Beasley Cindy Beasley
2970 Courtside Dr. 541 Grouseland Ave
Roseville, CA 95661 Beegton, OH 45417

Which, based upon my training and experience and that of "Weston", indicates there is contained within or upon the above described item, the presence or odor of a narcotic or other controlled substance.
